

# Smart Contract Audit Certificate

This is to certify that the smart contract for the project "CoinXi" has undergone a manual and automated code review.

Contract Address: 0x8074B975a690AF24502203C7aD0417be0277C489

Auditor: SolidityScan Security Team

The contract was analyzed for known vulnerabilities including reentrancy, integer overflows/underflows, access control, and adherence to Solidity best practices. Based on the performed checks, the contract has passed with no critical issues found.

This certificate is intended for informational purposes only and does not constitute a formal security guarantee.

**Audit Result: PASSED**

*Certified by: SolidityScan Security Team*
